ABOUT COMPANY

General Aluminium Investments Ltd was incorporated in 2007. It specialises in Aluminium fabrication and Metal Fabrication business. It has undertaken many challenging projects and accumulated skills, know- how and experience in the field of Aluminium and metal works.

Today, General Aluminium Investments Ltd has grown and developed under the direction of founder and Managing Director, Huzefa Sulemanji, to become an established and recognized company in all sectors of aluminium industry.

General Aluminium Investments Ltd is the ideal choice for your Aluminium Projects. Our objective is to provide our clients with an "I am assured" experience when we are chosen to execute their projects.

VISION & MISSION

Vision

Our vision is to be a highly respected contractor that consistently exceeds expectations. We are committed to integrity at all levels, executing work with adherence to local regulations. Our performance is marked by completing projects on time, within budget, and according to specifications. Customer satisfaction is paramount, ensuring no project is closed until every aspect meets their approval. Through experienced teams and innovative technology, we deliver affordable production without compromising quality.

Mission

General Aluminium Investments Ltd is dedicated to providing direct client benefits through competitive pricing, scalable capabilities, and quality partnerships. We prioritize economic progression by hiring, training, and developing our local workforce. With a commitment to equal opportunity and diversity, we lay the foundation for sustainable future developments, ensuring long-term success.
